### Google Summer of Code Contributor

MetaBrainz

05/2022 - 09/2022

*Achievements/Tasks*

- Crafting a visually appealing and intuitive editor interface using Figma.
- Building the Unified Editor using ReactJS, ensuring its robustness and flexibility.
- Developing a backend API to enable the creation of multiple entities.
- Writing testing code to guarantee proper maintenance and ensure the longevity of the project.

### Software Developer

Explorica

11/2022 - Present

*Achievements/Tasks*

- Collaborating with my team to understand project requirements and design effective solutions.
- Designing a visually stunning and user-friendly interface for the website.
- Utilizing advanced technologies such as MongoDB and FastAPI to build efficient and scalable backend systems.

## SKILLS

Javascript

React

NodeJS

C++

Java

Figma

Python

Operating System

MongoDB

MySQL

Computer Networking

Git

Azure

CI/CD

Jest

## PERSONAL PROJECTS

Sinpie - Market Place (09/2022 - 10/2022) [↗](#)

- Sinpie is a non-profit online marketplace for clothes and merchandise.
- Offers a convenient way for users to find and purchase clothing and merchandise from various online stores.
- Utilizes web scraping techniques to provide up-to-date product information.
- Features a visually appealing and user-friendly interface, enhancing the user experience.

Mimu - Diary App (10/2020 - 11/2020) [↗](#)

- Mimu is a cross-platform diary journaling app built with Flutter.
- Offers convenient features including instant cloud backup to Google Drive, the ability to hide the app behind a PIN, and a dark mode.
- The app has a simple and sleek user interface for easy navigation.

## CERTIFICATES

Reinforcement Learning Specialization  
(01/2022 - 05/2022) [↗](#)

*The reinforcement learning course taught fundamental concepts and problem-solving skills.*

Deep Learning Specialization (05/2021 - 11/2021) [↗](#)

*Obtained expertise in Deep learning and TensorFlow fundamentals.*

## PROGRAMMING LANGUAGES

Java

*Full Professional Proficiency*

Python

*Full Professional Proficiency*

Javascript

*Full Professional Proficiency*
